KNX PARTNER course

KNX = international standard for home and building automation

OFFICIAL TRAINING by FUTURASMUS ZENTRUM (KNX++ Certified Training Center since 2003)

19th to 23rd of April, in Manama (Bahrain)

Now you can take the official KNX Partner course in the Kingdom of Bahrain with one of the most renowned KNX training centers in the world (with more than 1.100 partners trained) and several tutors in different countries (imparting the Basic KNX Partner, Advanced and Tutor courses).

Achieve your KNX Partner certificate (internationally acknowledged and awarded by the KNX Association in Brussels) and learn how to design, install, program and commission a KNX project with senior KNX tutor Mr. Stephan Erasmus (CEO of Futurasmus KNX Group of companies, German electrical engineer with vast KNX experience).

The training is divided into:

- ✓ ***Theory (50%): advantages of KNX, communication, topology, powerline, Bus devices, installation, ETS5 project design and commissioning.***
- ✓ ***Practical exercises (50%): multi-brand working stations.***

After passing the official exam (as approved by the KNX Association), participants will enter the KNX Partner international data base and will be granted the KNX Partner certificate.

- ✓ ***Place: Futurasmus ME Training Center***
- ✓ ***Time: from 9:00 till 17:00***
- ✓ ***Requisites: bring your own laptop with ETS5 demo-version pre-installed (ETS5 dongle license supplied by us for the duration of the course).***
- ✓ ***Maximum number of participants: 16***

If you are interested, please, send your contact details (training@futurasmus-me.com) and train yourself for multiple job opportunities.
