

instabus KNX/EIB Valve drive polar white (01.11.2005)

Order no. 7550 00 02

Packing unit 1

Operating voltage over bus 21 - 32 V=

Running time 25 s/mm

Stroke 4,5 mm

Medium temperature max. 100 °C

Operating temperature 0 - 50 °C

Union nut M30 x 1,5 mm

Pre-assembled cables approx. 1 m

Dimensions (W x H x D) 46 x 87 x 60 mm

- suitable for Heimeier heater valve tappets
- with 2 independent binary inputs
- to connect potential-free contacts (e.g. Reed)
- with magnet for programming reed contact and red programming LED
